

Post-Show Analysis: Juxtaposition in *Fen*

Name: _____

Date: _____

Period: _____

Student-Selected Practice

Brainstorm: Think of examples of juxtaposition in movies, music, television, nature, the news, books, etc.

Element 1:

Element 2:

What does this first element represent?
What are the connotations associated with it?
What might be the audience's response or experience of it?

What does the second element represent? What are the connotations associated with it? What might be the audience's response or experience of it?

In what ways are the two elements opposite?

What is the effect of the contrast on the audience?
What new meaning or understanding is created from this juxtaposition?
